

Sergey Lazarev, Girlfriend

Verse 1

Gotta feeling she's into me
the way that she talked to me
I think i'm on ice so thin
I don't know where to tread
Got a feeling she sees right through me
I tried sweating it out but its been eating me up
this time i feel twice as guilty shes a friend of yours
but I cant hide from you no more

Why why why does everything have to be so complicated
You know I hate this
Why why why did I leave it far too long
But now I gotta say

Chorus

I DON'T WANT NOBODY BUT YOU
I DONT WANNA FEEL LIKE I DO
GONNA HAVE TO TELL HER THE TRUTH
SO HERE I GO
HELP ME I'M IN TROUBLE
I FELL IN LOVE WITH YOUR GIRLFRIEND

Verse 2

Gotta feelin shes onto me
the way that she looked at me
she's staring with eyes so cold
i guess she figured it out
i didnt tell her she saw right through me
i was steppin on glass
i was sinkin' so fast
couldnt find a way out of a situation
i ain't proud of me
but its the ways its gotta be

Why why why does everything have to be so complicated
You know I hate this
Why why why did I leave it far too long
But now I gotta say

Chorus

I DON'T WANT NOBODY BUT YOU
I DONT WANNA FEEL LIKE I DO
GONNA HAVE TO TELL HER THE TRUTH
SO HERE I GO
HELP ME I'M IN TROUBLE
I FELL IN LOVE WITH YOUR GIRLFRIEND

HELP ME I'M IN TROUBLE
I FELL IN LOVE WITH YOUR GIRLFRIEND
You can't choose the one you love
The one you're really thinkin' of
HELP ME I'M IN TROUBLE
I FELL IN LOVE WITH YOUR GIRLFRIEND
It hurts so much to do what's right
just to have you by my side

Help me I'm in trouble
No I didn't wanna hurt her
Help me I'm in trouble
I know, I know, I didn't wanna hurt her
Help me I'm in trouble, No I didn't wanna hurt her
Help me I'm in trouble

Didn't wanna hurt you
