

Sergio Mendes, A Dream Come True (Can't Hardly Wait)

Can't hardly wait for night to come
Then I can dream of you
Let hours pass before I wake
Until my dreams come true

I tried so hard to call your name
and listen for an answer - still no sound
I'm impatiently waiting
While reality is fading
I can't wait until a dream comes true

It came to me unwillingly
That you would come some day
Time after time I feel that I'm
A fool to love you this way

I tried so hard to call your name
and listen for an answer - still no sound
I'm impatiently waiting
While reality is fading
I can't wait until a dream comes true
With you!

I can't wait until a dream comes true
Until old man time loses his pace
That's when I'll know that I've lost the race
I can't wait until two equals one - Please come
I can't wait until a dream comes true
