Let me please introduce you
To a sound that will move you
They call it balafon
No one's sure where it comes from
Some old african kingdom
Somewhere like Cameroon

Here we call it marimba
Music made with your fingers
Rhythm becomes a song
Feels so good when they play it
Soon you'll learn how to say it
You'll call it balafon

Marim-baj, ir-shir
Balafonj, orin-ax
Marim-baj, ir-shir
Balafonj, orin-ax

Isso que toca bem, bem
Isso que toca bem, bem
Chama-se balafon
Nhen-nhen patapa nha-nha
Nhen-nhen patapa nha-nha
