Sergio Mendes & Brasil '66, Chove Chuva

Chove chuva constant is the rain

Chove chuva endless is the pain

As I stand here and remember that once our hearts were one

And everyday was spring to me to be loved and to be in the sun

Now the days are lonely the song of love is still

They say that I'll forget you but I say I never will

And it hurts with such a pain to be alone and lonely in the rain

And it hurts with such a pain to be alone and lonely in the rain

Chove chuva constant is the rain

Chove chove chove chuva endless is the pain
