Sergio Mendes, The Island

Make believe we've landed On a desert island Bathe me in the waters Warm me in the moonlight Taste me with your kisses Find those secret places Touch me till I tremble Free my wings for flying Catch me while I'm falling Keep your arms around me Like there's no tomorrow

On a little island
Not a soul can see us
Show me how to love you
Teach me how to please you
Lay your dreams beside me
Only stars will listen
To our cries and whispers
You were made to love me
And I was made to love you
Keep your arms around me
Loose yourself inside me
Make it last forever

I can see the island Shining in the distance Now we're getting closer Keep your arms around me Love we're almost there!
