Sergio Mendes, What The World Needs Now

What the world needs now is love, sweet love It's the only thing that there's just too little of What the world needs now is love, sweet love No not just for some but for everyone

Lord, we don't need another mountain There are mountains and hillsides enough to climb There are oceans and rivers enough to cross Enough to last till the end of time

What the world needs now is love, sweet love It's the only thing that there's just too little of What the world needs now is love, sweet love No, not just for some but for everyone

Lord, we don't need another meadow There are cornfields and wheat fields enough to grow There are sunbeams and moonbeams enough to shine Oh listen, lord, if you want to know

What the world needs now is love, sweet love It's the only thing that there's just too little of What the world needs now is love, sweet love No, not just for some but for everyone

No, not just for some, oh, but just for everyone
