Sergio Mendes, With A Little Help From My Frien

What would you think if I sang out a tune Would you stand up and walk out on me Lend me your ears and I'll sing you a song And I'll try not to sing out of key

I get by with a little help from my friends I get high with a little help from my friends yeah, gonna try with a little help from my friends

What do I do when my love is away Does it worry you to be alone But how do I feel by the end of the day Are you sad because you're on your own

No, I get by with a little help from my friends I get high with a little help from my friends Yeah gonna try with a little help from my friends

Do you need anybody
I just need someone to love
Could it be anybody
I want somebody to love

Would you believe at a love at first sight Yes, Im certain that it happens all the time what do you see when you turn of the light I cant tell you but I kno that its mine

Oh, I get by with a little help from my friends I get high with a little help from my friends Gonna try with a little help from my friends

Do you need anybody
I just need someone to love
Could it be anybody
I want somebody to love

Oh, I get by with a little help from my friends I'm gonna try with a little help from my friends Oh I get high with a little help from my friends Yes I cant buy a little help from my friends

With a little help from my friends
