

Serial Joe, Sanity

I still don't know what you mean to me
But I'm gonna lose my cool
You better go 'cause I'm going crazy
I think I'm losin' all my sanity.

We're goin' all the way down
To the end of our sanity
Blowin' it straight down
To the end of our sanity.

I start to hear things in my head
And I try to block 'em out
You still can't run, there's nowhere to hide
'Cause it's the end of my sanity.

We're goin' all the way down
To the end of our sanity
Blowin' it straight down
To the end of our sanity.

- Bridge -

We're goin' all the way down
To the end of our sanity
Blowin' it straight down
To the end of our sanity.

Feel it slip away ya,
but I can't turn back now
Feel it slip away ya,
but I can't turn back now
Feel it slip away ya,
but I can't turn back now
I can't turn back now, won't turn back.
