Serial Joe, Skidrow

Yo skid, ya you, down on the row What ya gonna do now? Where ya gonna go? Yo skid, ya you, down on the row What ya gonna do now? Where ya gonna go?

All we wanna do is ride the black Jump here, jump there, take the gap Heyman! Chillout! We're not crazy Wantin' us to sit around just being lazy Kids with nothin' just get into somethin' Trouble is their middle name, They just can't win

CHORUS 2x

We got it on gettin' into the grind Puttin' metal to metal, what's blowin' our mind Give us a place where we can ride on the edge Not hoppin' downtown and sneakin' on a ledge Don't be a "B I T" spell the rest Alley oopin', kick flippin', jammin's the best

All we wanna do is ride the black Jump here, jump there, take the gap We got it on, gettin' into the grind Puttin' metal to metal, what's blowin' our mind Don't be a "B I T" spell the rest Alley oopin', kick flippin', jammin's the best
