Serj Tankian, Figure It Out

Why pretend that we don't know CEO's are the disease

Fredom is raped by war like whore Technology, technology, technology of materialism Personal freedom only an obstruction Fredom is raped by war like whore Technology, technology, technology of materialism Personal freedom only an obstruction

Why pretend that we don't know CEO's are the disease

Fuck let's figure it out no bullshit Fuck let's figure it out no bullshit Fuck let's figure it out Fuck let's figure it out

Why pretend that we don't know CEO's are the disease Why pretend that we don't know CEO's are the disease

Control ordinary behavior trought political extremism Industrial society is the arch enemy of nature

Including human nature the unthinking majority Should just not be Condemned, condemned.

CEO's are the disease CEO's are the disease Why pretend that we don't know CEO's are the disease CEO's are the disease CEO's are the disease
