

Serj Tankian, Honking Antelope

Why don't you go photograph
Everything that ever passed in time
Indigenous traces, tribal chiefs,
Vanishing hereditary lines,
Poets gone wild on the muse
Prophets all destroying the Tao,

When you see that honking antelope
The secret dance of snakes, the tales of it all,

Nature based beings will survive
Apocalyptic days of now
Poets gone wild on the muse
Prophets all destroying the Tao

When you see that honking antelope
The secret dance of snakes, the tales of it all,

Of it all,
Run away with me now
Run away with me now,
My life,

We are the cause of a world that's gone wrong
Nature will survive us human dogs after all,

Why don't you go photograph
Everything that ever passed in time,
Poets gone wild on the muse
Prophets all destroying the Tao,

When you see that honking antelope
The secret dance of snakes, the tales of it all,
When you see that honking antelope
The secret dance of snakes, the tales of it all,

Of it all,
Run away with me now,
Run away with me now
My love,

We are the cause of a world that's gone wrong
Nature will survive us human dogs after all,
We are the cause of a world that's gone wrong,
Wouldn't it be great to heal the world
With only a song.
