

Serj Tankian, Lie Lie Lie

Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie

My baby, my baby,
Let me know
because you love me, you love me
Let me go
And you're my lover, you pay me
Twice my size
And on your knees you lay
In my thighs

Take my hand and let's end it all
She broke her little bones
On the boulders below
Take my hand and let's end it all

My baby, my baby
Let me go
And if you love me, you love me
Let me go
Cause I'm your brother, your brother
Have some pride
And now you love me, you love me
Then die tonight

Take my hand and let's end it all,
She broke her little bones
On the boulders below
Take my hand and let's end it all
Broke her little bones
On the boulders below
And while she fell I delightfully said

Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie

She took my hand and I let her go
She broke her little bones
On the boulders below
Took my hand and she ended it all
Broke her little bones on the boulders below
And while she fell, I smiled.

Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie
