

Serra Eric, I Like This

I don't know who I am
I don't know where I'm from
I don't know why I'm here, I don't care
I don't know where I'm going
I don't know what I wish
I don't know what I came here for
I don't know what I will
I don't know if I care
I don't know why I would want to know
I don't know what's a waste
I don't know when I'll die
Only one little thing I'm sure
That I like this
I don't know what is good
I don't know why it's bad
I don't know who is wrong
I don't know what is right
I don't know who's a friend
I don't know why a foe
I don't know what to trust and why
I don't know what you think
I don't care what you say
I don't care what you see me like
I don't know what you fear
I don't care what you hide
But there is one little thing I know
That I like this
Hmm, yes I like this
I don't know what to think
when you're talking serious
I can't believe what I hear
I don't know what to say
I don't know if I can
Let you know how much I don't care
I don't need your advice
Your idea of my fate
I don't need anymore stock-phrases
I don't care who you are
I don't need any judge
There's only one little thing I need
And I like this
I don't know what you feel
I don't feel what you say
You don't say what you think
But you think I will buy
All your lies
Your disguise
All your simulated cries
I don't care if you plead
But I know that you need
Not to know what you would not dare
'Cause you know what I mean
When I say that I know
There's only one little thing I have to have
And I like this
Hmm, yes I like this
