

Serra Eric, I Wanna Get Out Of Here

I haven't got a woman
Who would help my soul
Out of the cloud
Oh Lord!
Don't let the paint run down
Oh Lord!
Relieve my heart
Give it some hope
Make it shine
Just a little little sign to be sure I'm on the way
'Cause I live my life in an empty doubting fear
And I wanna get out of here
I wanna get out of here
I gotta get out
'Cause I don't belong in here
And I gotta get out, now!
Scaling up my sorrow
Singing love
Aloud and proud
Oh Lord!
Don't let the people run down
I don't like the people running down
Oh Lord!
I believe their eyes
Could have more light
Could have more pride
What a little little little life
When you lose your faith in love
I'm sorry but my heart is not willing to sear
And I wanna get out of here
I wanna get out of here
I gotta get out
'Cause I don't belong in here
And I gotta get out!
Love is only light
As long as my heart is enclosed in such loneliness
My soul will be homeless
Fear is only lie
I wanna get out of here
I gotta get out
'Cause I don't belong in here
And I gotta get out
I wanna get out of here
I gotta get out
'Cause I don't belong in here
And I gotta get out
I wanna get out of here
I gotta get out
'Cause I don't belong in here
And I gotta get out
I wanna get out of here
