

Sesame Street, A Birdie's Eye

Did you ever wanna see what the birdies see?
Well I do!
Did you ever wanna see what the birdies see?
Well I do!
Birdies see from way up high
Because they hang out in the sky
Things sure look different, my-oh-my
When you see with a birdie's eye

(the video is shown and the game is played)

Things sure look different, my-oh-my
When you see with a birdie's eye
