

Sesame Street, A Brand New Baby

There's a brand new baby at Katie's house
There's a brand new baby at Katie's house
There's a brand new baby at Katie's house
A baby in her family

Now babies are very special
They need lots of care when they're brand new

But Katie is older and bigger
And she is special too

Spoken: I'm a big sister!
You are a big sister.
