

# Sesame Street, A Face

A face can be up  
A face can be down  
A face can be as funny as the face of a clown

A face can show just how you feel inside  
When your eyes open up  
And your smile opens wide

Your eyes could be brown  
Your eyes could be blue  
But there's never ever any other face just like you

When you're sad or crying  
And you don't know what to do--  
Somebody's face can happen along  
And smile the sunshine back into you

A face can show just how you feel inside  
When your eyes open up  
And your smile opens wide

Your eyes could be brown  
(Or) Your eyes could be blue  
But there's never ever any other face just like you

When you're sad or crying  
And you don't know what to do--  
Somebody's face can happen along  
And smile the sunshine back into you
