

# Sesame Street, A Song From Kermit

A song from Kermit, to wish you well  
To say I hope you're feeling absolutely swell  
A song from Kermit, to send you cheer  
To say I miss you and I wish that you were here  
It may sound fairly croaky like it's not the song for you  
But with every note there's a lump in my throat  
So I hope you're listening to  
A song from Kermit  
To let you see

I hope we'll always be as close as we can be  
And if you like my song from Kermit  
Maybe you'll like me  
La la la dee dee, la la ta dum.....  
I hope we'll always be as close as we can be  
And if you like my song from Kermit  
Maybe you'll like me
