

Sesame Street, Doing The Family Thing

Any group of people
Living together
And loving each other
Are doing the family thing

You might live
With your mother and your father
Or maybe it's
You and Grandpa
Or maybe you're living
With your two little brothers
Your sister and your Ma
Oh, maybe it's your aunt
Your uncle and your cousin
Your baby sister and you, yeahhhhh
It doesn't really matter
Just who you're living with
If there's love you're a family too

Now, we all can sing
We're doing the family thing
Everybody sing

Doing the family thing
Now, we all can sing
Any group of people
Living together
And loving each other
Are doing the family thing

A family can be
What it wants to be
'Cause there's all different leaves
On the family tree
And there's all different types
Of families
Who are living together
And loving each other
Are doing the family thing
Doing the family thing
Doing the family
Doing the family thing
