

Sesame Street, Dressed Up

Dressed up
All dandied and dressed up
All feathered and pressed up
And feeling so fine

Dressed up
In our best formal design
Outshine all the rest of you
Aren't we devine?

We beg your pardon but

Fancy, that you could be carefree
And almost as hap-happy as we see
How we're blessed
With so much zest
With every button buttoned
And every press pressed
We're dressed up
And aren't we the best?!
