

# Sesame Street, Ernie's Ice Cream Cone

Ernie: Hey there, Mr. Ice Cream Cone Man!

Ice Cream Man: Huh?

Ernie: Hey, I wanna ice cream cone!

Ice Cream Man: Okay, just a minute.

(As the man gets out of the truck from behind the cutout, Ernie speaks to the camera.)

Ernie: Oh boy, oh boy, oh boy, I've been thinking of a very special ice cream cone which I am going to have!

Ice Cream Man: What did you say?

Ernie: I said, I want a chocolate-strawberry-peach-vanilla-banana-pastachio-peppermint-lemon-orange!

Ice Cream Man: You mean you want a chocolate-strawberry-peach-vanilla-banana-pastachio-peppermint-lemon-orange?

Ernie: Yup!

Ice Cream Man: Okay, I'll be right back.

(The camera moves in on Ernie and the man disappears offscreen. Ernie rubs his hands in anticipation.)

Ernie: Oh boy, I can hardly wait! Hardly wait for my chocolate-strawberry-peach-vanilla-banana-pastachio-peppermint-lemon-orange!

(The man reappears carrying a cone piled high with different colored ice cream scoops.)

Ice Cream Man: Ha! You didn't think I'd remember that you wanted a chocolate-strawberry-peach-vanilla-banana-pastachio-peppermint-lemon-orange!

(As the man recites the flavours, Ernie ticks off each one starting at the bottom of the cone, then he looks up at the top.)

Ernie: Wait a minute! Wait a minute! Listen, you brought me an ice cream cone all right, but you brought me the wrong one!

Ice Cream Man: (starts to wrinkle his face in disgust) You mean ...

Ernie: I mean you put the chocolate on the bottom and the butterscotch on the top and I wanted the top on the bottom!

Ice Cream Man: Come on now, it really doesn't matter if you have a chocolate-strawberry-peach-vanilla-banana-pastachio-peppermint-lemon-orange!

Ernie: Doesn't matter? Why, of course it matters. It matters very much that you put the top on the bottom!

Ice Cream Man: All right, I'll tell you what, if you wanted the cone to be a chocolate-strawberry-peach-vanilla-banana-pastachio-peppermint-lemon-orange!

Ernie: Hmm ... well, how is it easy to fix when you put the chocolate on the bottom, down here, and the butterscotch on the top, up there?

Ice Cream Man: Simple, just eat the same cone standing on your head!

(Ernie looks surprised and shocked as his hand flies up to his mouth.)
