

Sesame Street, Frazzle Likes To Eat...Croissant

Lexine: At snacktime I like to share
Little pieces of a pear
Red, green, yellow, we don't care...
Pears are what we share.
We eat pears, but Frazzle won't.
Frazzle likes to eat...

Frazzle: Croissant!

Lexine: We eat pears, but Frazzle won't.
Frazzle likes to eat...

Frazzle: Croissant!

Nicole: At snacktime I eat a few
Carrots 'cause they're fun to chew

Nicole & Gina: And you know they're good for you!

Nicole: Carrot's what I chew.
I eat carrots, Frazzle won't.
Frazzle likes to eat...

Frazzle: Croissant!

Nicole: I eat carrots, Frazzle won't.
Frazzle likes to eat...

Frazzle: Croissant!

Lexine: Why croissant? Why croissant,
Not other foods instead?

Gina: He likes them 'cause they look just like
The horns up on his head!
(all laugh)
They eat pears and carrots, he won't.

Frazzle: (echoes Gina, in Frazzle-talk)

Gina: We all have foods we like and don't.

Frazzle: (echoes Gina, in Frazzle-talk)

Gina: We all have foods we like and don't...
Some like oranges for a treat,
Some like tunafish on whole wheat,
But Frazzle likes to eat,
Frazzle likes to eat,
Frazzle likes to eat, he likes to eat...

Frazzle: Croissant!
