

# Sesame Street, Frazzle Likes To Eat...Croissant

Lexine: At snacktime I like to share  
Little pieces of a pear  
Red, green, yellow, we don't care...  
Pears are what we share.  
We eat pears, but Frazzle won't.  
Frazzle likes to eat...

Frazzle: Croissant!

Lexine: We eat pears, but Frazzle won't.  
Frazzle likes to eat...

Frazzle: Croissant!

Nicole: At snacktime I eat a few  
Carrots 'cause they're fun to chew

Nicole & Gina: And you know they're good for you!

Nicole: Carrot's what I chew.  
I eat carrots, Frazzle won't.  
Frazzle likes to eat...

Frazzle: Croissant!

Nicole: I eat carrots, Frazzle won't.  
Frazzle likes to eat...

Frazzle: Croissant!

Lexine: Why croissant? Why croissant,  
Not other foods instead?

Gina: He likes them 'cause they look just like  
The horns up on his head!  
(all laugh)  
They eat pears and carrots, he won't.

Frazzle: (echoes Gina, in Frazzle-talk)

Gina: We all have foods we like and don't.

Frazzle: (echoes Gina, in Frazzle-talk)

Gina: We all have foods we like and don't...  
Some like oranges for a treat,  
Some like tunafish on whole wheat,  
But Frazzle likes to eat,  
Frazzle likes to eat,  
Frazzle likes to eat, he likes to eat...

Frazzle: Croissant!
