

Sesame Street, Has Anybody Seen My Dog?

Has anybody seen my dog?
Has anybody seen my dog?
He's gone and left me, wo-wo-wo,
Why'd he ever have to go?

Has anybody seen my dog?
Has anybody seen my dog?
He's left me cryin'...wo-wo-wo,
Why'd he ever leave me so?

He was not fancy,
Collared or curled,
Strollin' the avenue.
He was a real dog,
Faithful and true,
And now he's left me,
Boo-hoo-hoo.

Has anybody seen my dog?
Has anybody seen my dog?

I loved him so much, wo-wo-wo,
Why'd he ever have to go?

He was not foolish
Or fickle or mean
Or evil or insincere.
He hurt my feelin's,
I'm cryin' out loud
For him and he's not here.

Has anybody seen,
Has anybody seen my dog?
Has anybody seen my dog?
I loved him so much, wo-wo-wo,
Why'd he ever have to go?

Oh, there's my doggie!
Oh, I'm so glad he came back!
