

Sesame Street, Hippo In The Bathtub

Hey Daddy! There's a dragon in the driveway
And momma there's a grizzly on the lawn!
You better come, quick! 'Cause there's a hippo in the bathtub,
And he's goin' down the drain -- oh no, he's gone!

Well the minds of little children,
They go round and round and round.
And they're hearing giant's footsteps
When I never hear a sound.
I just hear ...

Hey Daddy! There's a dragon in the driveway
And momma there's a grizzly on the lawn!
You better come, quick! 'Cause there's a hippo in the bathtub,
And he's goin' down the drain -- oh no, he's gone!

And he's goin' down the drain -- oh no, he's gone!

Well you never know if they really saw
All the things they'd have you believe.
But if there's dragons in this neighbourhood,
Then we're gonna leave sayin' ...

Hey Daddy! There's a dragon in the driveway
And momma there's a grizzly on the lawn!
You better come, quick! 'Cause there's a hippo in the bathtub,
And he's goin' down the drain -- oh no, he's gone!

And he's goin' down the drain -- oh no, he's gone!
