

# Sesame Street, I Cry

I cry in the morning  
I cry at night  
I cry-cry-cry when I get uptight  
I cry for my bottle  
I cry for my doll  
I cry-eye-eye til they hear me call  
Oh my  
How I can cry  
I wish I could speak, but I gotta shriek  
If I wanna stay warm and fed and dry, I cry  
WAHHHHHHH!

I cry for my blanket  
I cry for fun  
I cry-cry-cry when I'm all undone  
I cry for my rattle  
I cry for my snake  
I cry 'til it's more than you can take  
Oh my!  
How I can cry  
I wish I could talk, but I gotta squawk  
If I wanna stay warm, and fed and dry, I cry

Wahhhhhh!

I cry when I need some sympathy  
I cry 'cause it always works for me  
I cry when I need a little help  
I cry and scream and push and yelp and cry  
Wahhhhhh!

I cry for attention  
I cry for food  
I cry when I'm coming all unglued  
I cry for a cookie  
I cry for some juice  
I cry 'cause I feel like cuttin' loose  
Oh my  
How I can cry  
I wish I could speak, but I gotta shriek  
If I wanna stay warm and fed and dry, I cry  
Wahhhhhh!!!!
