

# Sesame Street, I Love Being A Pig

I love summer showers  
I love pretty flowers  
But most of all...I love mud for hours  
I love, love, love being a pig!

I love how mud feels  
I love how mud sounds  
I love mud on the ground  
I love, love, love being a pig!

I love mud on my tail!  
I love mud on my snout!

(grunt) I love mud all about!  
I love, love, love being a pig!

I love to feel the sunshine  
I love mud all the time  
And I love being a swine, (ahem) a pig  
Love being a pig!

'Cause I love how mud feels  
I love how mud sounds  
I love mud all around  
I L - O - V - E, I love being a pig!
