

# Sesame Street, I'm A Hard Workin' Dog

I'm a dog  
I'm a workin' dog  
I'm a hard workin' dog  
Hard workin' dog

Now I never said I was a hog  
And you can see I'm not a frog  
I'm tryin' to tell ya, I'm a dog  
I'm a cow dog

I'm a dog  
I'm a workin' dog  
I'm a hard workin' dog  
Hard workin' dog

Now some dogs can fetch a stick  
Other dogs will shake your hand  
I even heard of a dog that can roll over  
All I know how to do  
Is take a hundred cows and teach 'em some manners

I'm a dog  
I'm a workin' dog  
I'm a hard workin' dog  
Hard workin' dog

Now I'm not the top dog  
I'm not much of a bird dog  
I'm not the best watch dog  
But I'm an awful good cow dog

I'm a dog  
I'm a workin' dog  
I'm a hard workin' dog  
Workin' like a dog-gone dog

It's a dog's life, and I love it!
