

# Sesame Street, I Song

(Car horn) Beep beep! Beep beep!

Some of the words that begin with I they get to be quite tricky  
There's intersection and illegal, irritate and icky

Beep-beep! Beep-beep!

Many words that begin with I are longer than itchy and into  
There's impossible and incredible and important too.

The letter I is quite a pip,  
I think I'll take him on my trip  
We'll have some fun, and do a flip,  
Into my car, away we'll zip  
I'm glad to be with the letter I  
Cause he's so irresiiiiiiiiis- tible!  
Beep beep! Beep beep
