

Sesame Street, I Wish It Would Rain

Bob: I want to hear raindrops tapping on my windowpane
I wish it would pour!

Olivia: Would rain a lot more!

(??)

Bob: I'm wondering why
Each cloud in the sky
Keeps passing me by

(??)

Oscar: It's lovely and dusty
But nothing gets rusty
I wish it would rain!

Mr. Hooper: It's so hot and sunny
My ice cream is runny
I wish it would rain!

Bob: I want to see colors in the rainbow once again
I wish it would pour!

Olivia: Would rain a lot more!

(all the singers?): I wish it would rain
Rain
RAIN!
