

Sesame Street, In My Head

spoken: Hi, I'm Suzy Kabloozie, and you know what I can do?

sung:

I can fly up in the sky
I can eat a forty foot pie
I can jump a great big hurdle
Or dance with a purple turtle
I can ride on the back of an ant
Well, no I can't

But in my head
Up there in my imagination
In my head
I can do it
It's a great sensation
In my head, in my head, in my head, in my head
I can do it in my head

I can drive a racing car
I can be a movie star
I can meet the fish in the sea

Go to the moon on a manatee
I can even be a prickly plant
Well, no I can't

But in my head
Up there in my imagination
In my head
I can do it
It's a great sensation
In my head, in my head, in my head, in my head
I can do it in my head
Try to do it in your head
You can do it in your head
Imagination's in your head
I can do it in my head ...

Suzy's Dad: Not now, it's time for bed!

Suzy: Sorry, Dad
