

# Sesame Street, Inchworm

Two and two are four  
Four and four are eight  
That's all you have on your business-like mind  
Two and two are four  
Four and four are eight  
How can you be so blind

sung in counterpoint:

Two and two are four  
Four and four are eight  
Eight and eight are sixteen  
Sixteen and sixteen are thirty-two

Inchworm, inchworm  
Measuring the marigolds  
You and your arithmetic  
You'll probably go far

Inchworm, inchworm  
Measuring the marigolds  
Seems to me you'd stop and see  
How beautiful they are
