

# Sesame Street, It Makes Me Feel Like Dancing

When I hear this music playing  
Suddenly my feet are saying  
Turn around, and turn again!  
It makes me feel like dancing!

Suddenly my body's swaying  
Swaying to the song they're playing  
Turn around, and turn again!  
It makes me want to dance!

I listen to the music  
It tells me what to do

At first I'm just a dancer  
Then I am the music, too!

(All dance)

Turn around, and turn again!  
It makes me feel like dancing!  
It makes me want to dance!
