

Sesame Street, It Makes Me Feel Like Dancing

When I hear this music playing
Suddenly my feet are saying
Turn around, and turn again!
It makes me feel like dancing!

Suddenly my body's swaying
Swaying to the song they're playing
Turn around, and turn again!
It makes me want to dance!

I listen to the music
It tells me what to do

At first I'm just a dancer
Then I am the music, too!

(All dance)

When I hear this music playing
Suddenly my feet are saying
Turn around, and turn again!
It makes me feel like dancing!
It makes me want to dance!
