

Sesame Street, Maria And Luis' Wedding

Big Bird: (whispers to Maria) You look beautiful!

Priest: We are here today to celebrate the marriage of Maria and Luis. When two people get married

(voiceover singing begins, these are internal thoughts, not sung aloud)

Luis: Look at her, isn't she wonderful?

Maria: It's all together possible I've made a major error
My hands are cold, my forehead's hot, it's either love or terror
I guess somewhere there's somebody who thinks a wedding's fun
But if I weren't 5 stories high, I'd run!

Luis: Look at her, isn't she wonderful?

Maria's Mom: I used to dress her up like that
White lace and a great big party hat
(spanish...????)

Elmo: Don't drop the rings, Elmo
Please Elmo, don't drop the rings!

David: Isn't it funny? I've seen her each day of my life
Now she's becoming..becoming Luis' new wife
I'm not used to thinking of her as anyone's wife
Isn't it funny?

Gina: Someday, someday....

Luis and Maria: On second thought...

Luis: It's all together possible I've made a major error
My hands are cold, my forehead's hot, it's either love or terror
I guess somewhere there's somebody who think's a wedding's fun
But if I weren't 5 stories high, I'd run

Maria: Look at him, isn't he wonderful?

Luis' Dad: (spanish.. Mi sobre nino.....)
Now when I look at you I see,
The handsome young man I used to be
Luisito.....

Bob: Sometimes I wonder how I would feel being married
If I were married would it be to someone like you

Linda: Sometimes I wonder how I would feel being married
I wonder if you ever wonder too

Bob and Linda: I wish I knew

Elmo: Don't drop the rings Elmo
Please Elmo, don't drop the rings!

Maria's Mom: I wish her father could have lived to see this day
He would be so proud!

Oscar: I wish they'd let that lousy organ music play
It was nice and loud!

Gordon and Susan: (looking at Miles) Look at him, isn't he wonderful?

Luis: Look at her...

Luis and Maria: Isn't he/she wonderful?

(spoken)

Priest: Do you take Maria as your wife in good times and in bad, to love her and care for her always?

Luis: I do.

Priest: Do you take Luis as your husband in good times and bad, to love him and care for him always?

Maria: I do.

Elmo: Don't drop the rings, Bob.

Priest: I now pronounce you husband and wife.

Big Bird: Hooray!!!!!!!
