

Sesame Street, Me And My M

Me and my M
We go mmmm, mmmm, mmmm
When we see a moose
What a moose, what a moose
And the moose meets a monkey
With a jar of marmalade
Mm-mm-mm
And me and my M
We were standing with them
When the moose bent down to say
"Lay some marmalade on me."

And the monkey did!

Mm, mm...
Me and my M
We go mm, mm, mm....

When we see the mess the monkey made
On the moose with marmalade
Me and my M, mm-mm
We go mm, mm, mm
When we mosey along
Mosey on, mosey on
Mm, mm, mm...
