

Sesame Street, My Name Is Zoe

(Zoe comes dancing in)

Hiiiiii -
My name is Zoe!
And I'm proud I'm proud I'm proud
And what I'm proud about
I'm gonna tell you right out loud

IIII -
Can spell my name!
I know all the letters by heart
I bet you didn't know
That Zoe monster is so smart!

(dances over to blocks)

The first one is my favourite
It's the zig-and-zaggy "Z";
Looks kind of like a lightning bolt
A "Z"; that stands for me!

(brings "Z"; block over to "O"; block)

Here comes the second letter
Bet you haven't guessed it yet
Here it comes, get ready
It's a ... oh ... I forget
It's soooooort -
Of like a wheel
It's really beautiful and round
Oh yeah, it's called an "O";
And you can roll it on the ground
The last one -

(dancing over to "E"; block)

Is really excellent!
It's letter number three
One big stick, three little sticks
It's "E";, it's "E";, it's "EEEEEEEEEE";! (spinning)
You put the letters side by side
And that is how you spell

(carries "E"; block over to the other two)

Three very special letters
That spell "Zoe"; really well
Yeah!
"Z"; is one and "O"; is two
And "E"; is number three

(pushing letterblocks all together)

That's Zoe Zoe Zoe
And I'm prooooud -
To say that's me!

(Zoe-laugh)

It's me, Zoe!
It's me, yeah!

(Zoe-laugh)
