

# Sesame Street, Oh, What A Fabulous Party

Oh, what a fabulous party  
My, what a swanky soiree  
Yes, anybody who's anyone  
Is gathered at the table today

I'm sitting next to the Hostess  
Right next to Flippy the Chimp  
He's next to Princess von Toaster-head  
And she's sitting next to a Blimp

Next comes the Bowling Pin Heiress  
Next to the family from Voop  
They're next to somebody no one knows  
Who stuck his nose in the soup!

He's next to Doctor Del Gatto  
Next to Penelope Bone  
Next to a famous Astrologist  
Who talks on a cellular phone

Next comes Prime Minister Hoo-ha  
Next to a talented flea  
She's sitting next to the Hostess  
And...  
The Hostess is next to me!
