

Sesame Street, Teeny Little Super Guy

Female Singers:

Teeny Little Super Guy

Pops right up before your eye

He's no bigger than your thumb

Teeny Little Super Guy:

Snap your fingers, here I come

Now stop me if you've heard this one...

Female Singers:

Don't look in the sky

Don't look in the sea

He's inside of you and me

Teeny Little Super Guy:

Did I ever tell you about the time?...

Female Singers: You can't tell a hero by his size

All: I'm just a Teeny Little Super Guy
