

# Sesame Street, The Name Song

Maya's my name.  
It's a fine name.  
It's not your name, but it's fine just the same.  
Stand right up and say it proudly.  
Maya is my name.  
Oh, yes, it's my name  
and I'm not gonna change it.  
It's my name and I like it just fine.  
It's my name and no one can take it.  
Maya's my name and I'm proud that it's mine.

(other verses like):

Your name's Lexine.  
That's a fine name.  
It's not my name, but it's fine just the same.  
Stand right up and say it proudly.

Lexine is my name.  
Oh, yes, it's my name and I'm not gonna change it.  
It's my name and I like it just fine.  
It's my name and no one can take it.  
Lexine's my name and I'm proud that it's mine.
