

Sesame Street, The Rainbow Connection

Why are there so many songs about rainbows
And what's on the other side?
Rainbows are visions, but only illusions,
And rainbows have nothing to hide.
So we've been told and some choose to believe it
I know they're wrong, wait and see.
Someday we'll find it, the rainbow connection,
The lovers, the dreamers and me.

Who said that every wish would be heard and answered
When wished on the morning star?
Somebody thought of that
And someone believed it,
And look what it's done so far.
What's so amazing that keeps us stargazing?
And what do we think we might see?
Someday we'll find it, the rainbow connection,
The lovers, the dreamers and me.

All of us under its spell,
We know that it's probably magic....

Have you been half asleep

And have you heard voices?
I've heard them calling my name.
Is this the sweet sound that calls the young sailors?
The voice might be one and the same.
I've heard it too many times to ignore it.
Is it something that I'm supposed to be?
Someday we'll find it, the rainbow connection,
The lovers, the dreamers and me.
La, la la, La, la la la, La Laa, la la, La, La la laaaaaaa

(reprise from "The Muppet Movie"):

Why are there so many songs about rainbows?
That's part of what rainbows do.
Rainbows are memories, sweet dream reminders --
What is it you'd like to do?
All of us watching and wishing we'd find it,
I know you're watching it, too.
Someday you'll find it, the rainbow connection,
The lovers, the dreamers, and you!
