

Sesame Street, Three

One, two, three
Here's a song about the number three
I'd like you to count along with me
One, two, three
Three old boar hogs taking a nap
Three pekinese dogs going "yap, yap"
Three snapping turtles going "snap, snap, snap"
And they all lived together on a fat lady's lap
One, two, three

One, two, three
One, two, three (he, he, he, he)
One, two, three
One, two, three
One, two, three (he, he, he, he)

Three
