

Sesame Street, Three

One, two, three

Here's a song about the number three

I'd like you to count along with me

One, two, three

Three old boar hogs taking a nap

Three pekinese dogs going "yap, yap"

Three snapping turtles going "snap, snap, snap"

And they all lived together on a fat lady's lap

One, two, three

One, two, three

One, two, three (he, he, he, he)

One, two, three

One, two, three

One, two, three (he, he, he, he)

Three
