

# Sesame Street, Two Heads Are Better Than One

Two heads are better than one-  
That's a saying that's oh so true  
Two heads are better than one-  
There-me! There-you! That's two!

And between the two of you, you can solve  
Any problem that comes up  
It's much better to be two,  
'Cause what you don't know or can't figure out  
You can try, too!

Two heads are better than one  
The more the merrier, you bet  
Two heads are better than one

You could use all the help you can get!

And when all's said and done  
This is where it's at  
What I'm simply saying is that  
Two heads are better than one!

So just put your heads together  
Yes, put your heads together  
Quick, put your heads together  
And have fun! Have fun!
