

# Sesame Street, Two Little Dolls

One, two, two little dolls  
One, two, two little chairs  
Two little dolls, two little chairs, two little girls  
And a little dollhouse

One, two, two little plates  
One, two, two little spoons  
Two little plates, two little spoons, two little dolls  
And a little dollhouse

Two little girls serve two dolls tea  
Behaving grown-up as can be.  
They have two cups--one and two

I can count them--why don't you?

One, two, two sleepy heads  
One, two, two little beds  
Two sleepy heads, two little beds, all quiet now  
In a little dollhouse

What's that? Small pitter-pats  
One, two, two kitty cats  
Two kitty cats went on a spree  
Then sat down and had some tea.
