My hair is black and red My hair is yellow My eyes are brown and green and blue

My name is Jack and Fred My name's Amanda Sue I'm called Kareem Abdul My name is you

I live in southern France I'm from a Texas ranch I come from Mecca and Peru I live across the street In the mountains, on a beach I come from everywhere And my name is you

We all sing with the same voice The same song, the same voice We all sing with the same voice And we sing in harmony

Sometimes I get mad and mean Sometimes I feel happy And when I want to cry, I do

When I'm by myself at night I hold my teddy tight Until the morning light My name is you

I have sisters one, two, three In my family there's just me I've got one daddy I've got two

Grandpa helps me cross the street My cat walks on furry feet I love my parakeet My name is you

We all sing with the same voice The same song, the same voice We all sing with the same voice And we sing in harmony

I like to run and climb

I like to watch my TV, too

And when it's time for bed I like my stories read "Sweet dreams" and "Love you" said My name is you

We all sing with the same voice The same song, the same voice We all sing with the same voice And we sing in harmony
