

Sesame Street, Who You Looking At Tiger?

Who you looking at tiger?
And whadda ya see?
Hey, who ya looking at tiger?
Are ya looking at me
While I'm looking at you?

Who you looking at tiger?
And how do ya feel?
'Cause when you look at me tiger
Could it be a meal that you're thinking 'bout too?
Because I wouldn't like that idea at all, not very much, uh uh

Who you looking at tiger?
I hope you're not mad
That I'm looking at you tiger
'Cause it sure would be bad to be bothering you
Because you're such a magnificent animal really
And I'm actually a nice person
And you wouldn't do anything funny, would ya?
Oh boy!
