

Sesame Street, Windy Day

Windy day!
Look how the breeze turns pirouettes!
(???)
My, oh my, it's a windy, windy day!

Windy day!
(???)
Making the treetops sway...
My, oh my, it's a windy, windy day!

The breeze whistles by...
Whispers high...
What a lovely sound!

It knocks off my hat!
Fancy that!
It blows my hair around!

Windy day!
Look how the breeze spins like a top!
Swirls through the grass and never stops.
Dances me on my way...
My, oh my, it's a windy, windy day!
It's a windy, windy day!
It's a windy, windy day!
