

Sesame Street, You're My Baby

You've got baby eyes and baby toes
A baby face and a baby nose
Ooo woo woo woo woo, you're my baby, my beautiful baby

You've got baby ears and a baby chin
Baby size are the clothes you're in
Ooo woo woo woo woo, you're my baby, my beautiful baby

You've got baby smiles
You've got baby wiles
You always wear those pretty baby styles
You're my B - A - B - Y

You've got a baby mouth and baby cheeks
And when you talk you talk baby speech
Ooo woo woo woo woo, you're my baby, my beautiful baby

(whistling interlude)

You wear baby hats and baby shoes
You're pretty as a picture in The Baby News
You're my B - A - B - Y
My beautiful baby, my beautiful baby
