

Seven And The Sun, Say I'ts So

Tell me that they're lying
Say it's so
Say it's so
Now I'm so tired of trying
But don't go
Please don't go

'Cause I can't live without you
But I can't have you stay
And I hate so much about you
But I love you anyway

Oh tell me that you're leaving
But just leave with a kiss
I'll tell you I'm not grieving
But it's you that I'll miss

'Cause I can't live without you
But I can't have you stay
And I hate so much about you
But I love you anyway

It's always bittersweet with you and I
And it's always on the brink of do or die
